

Now let us go to the blacksmith shop.
He makes the merchant bars of iron
into horseshoes, nails, tools, and many
other iron products.

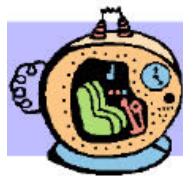

My favorite place
is the forge with
the big hammer.
It is really loud.

Let us take a walk to the river
and watch the ships load the iron
goods that are going to England.

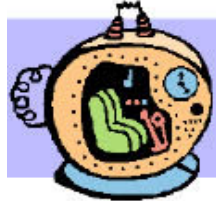

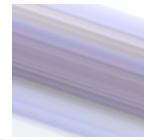

It is getting late, boys
and girls. We must
get home and you
must return to the
future. Thank you
for visiting.
