

# Spin The Water Wheel

The Game Show America Loves

*Rollover shapes for answers*

WHAT is an  
Iron Works?

WHEN was the  
Iron Works  
started?

WHO brought  
technology to the  
New World?

A complex  
machine is  
made up of ...

These people took many risks  
in coming to an unsettled land  
that they knew little about.

WHY did they come?

Let's think about the types  
of people who came to the  
New World in the 1600's.  
WHO do you think they were?  
WHAT were their jobs and  
skills?

What are the three  
types of rock?

WHERE would an  
Iron Works be  
located?

WHICH person  
started the  
Iron Works?

WHY did they  
need an  
Iron Works?

**Name 4 simple machines...**

L \_\_\_\_\_ r  
W \_\_\_\_\_ e
